

Hello Former Camp Hoppers

Can you believe PUMC is celebrating it's 100th birthday this fall? We have many events planned leading up to the weekend of our anniversary.

Camp Hope has been an important mission that our church has been involved with for the last several years. It has been extremely successful and we have had close to 100 supporters and participants during that time.

On Sunday, October 21st, during our Cafe Service at 9 AM and at our Traditional Service at 10:30 AM, we are recognizing all Camp Hope participants throughout the years, a Camp Hope Reunion. Please plan to wear your Camp Hope shirts and bring any pictures you have to share.

Our actual Anniversary Celebration is the weekend of November 17th and 18th. On the evening of Saturday, the 17th, we will be reminiscing and serving our 100th Dinner, reservations will be necessary and they can be made through the church office, 410-647-3090. Then, on Sunday, the 18th, we will have one service at 10 AM and Bishop LaTrelle Easterling will be preaching. A "Festive Fellowship Hour" will follow the service.

Please consider attending all of these special events. Pasadena wants to thank you for serving in this mission and being a part of our church family.
